We'll be starting the change from WaMu to Chase in the next few months; you'll start to see the Chase name in your branch, on your statements, online, and in ads. Rest assured that the reasons you chose us as your bank will remain unchanged: your Free checking will remain free, and you'll get the same great service from our friendly bankers.

What will change is even more exciting: by the end of 2009, we'll bring you more checking and savings choices, more debit rewards programs including major airlines, more payment options online, and even refreshed branches. It's our way of saying hello!

We reserve the right not to pay any item or transaction presented against your account if presented when there are insufficient available funds in your account (subject to any overdraft line of credit or overdraft transfer service that you have linked to your account), even if we paid such items/transactions in the past. Unless you request us not to do so, by calling 800.788.7000, we may, but are not obligated to, establish an overdraft limit to pay item(s)/transaction(s) in excess of your available balance and any fees related to your account. We may note on the front of this statement that an overdraft limit was established and indicate that amount. That amount is valid as of the statement date, but may change (be increased, lowered, or removed) at any time without notice, including before you actually receive your statement, due to printing and mailing time as well as our process for reviewing overdraft limits. An overdraft limit is not a line of credit. If you prefer not to have an overdraft limit, let us know and we would then generally return checks and other transactions that exceed your available balance. The best way to make sure your items/transactions are paid is to maintain sufficient available funds in your account to pay your authorized items/transactions and fees that may be due related to your account. If an item/transaction (such as a check or other transaction, like an ATM withdrawal, a point-of-sale transaction, or electronic payment) is presented against insufficient available funds, we will charge a fee for each transaction, whether the item/transaction is paid or rejected and the fee, as well as any overdraft paid, will reduce the overdraft limit amount, if any. You must deposit additional funds to pay for your overdrafts and any associated fees immediately.

This information applies only to overdraft lines of credit issued to consumers primarily for personal, family, or household purposes. **FINANCE CHARGES** on each advance accrue from the date we make the advance until the date the advance is paid in full. This means that there is no grace period that would allow you to avoid **FINANCE CHARGES** on advances on your Credit Line Account.

The periodic **FINANCE CHARGE** on your Credit Line Account for each billing period is a function of the Daily Periodic Rate, the "Average Daily Balance" of your Credit Line Account, and the number of days in the billing period. a) The "Daily Balance" of your Credit Line Account for each day will be (1) the Total Balance at the beginning of that day, plus (2) new advances or charges, minus (3) all payments and credits received that day and applied (i) to principal, (ii) unpaid **FINANCE CHARGES**, and (iii) any overlimit fees, dishonored payment fees, and late fees to the extent such fees are added to the outstanding balance of your Credit Line Account. "Total Balance" means all amounts due on the Credit Line Account. b) The "Average Daily Balance" is the sum of the Daily Balances for all days in the billing period divided by the number of days in the billing period. c) The periodic **FINANCE CHARGE** for a billing period is calculated by multiplying the "Average Daily Balance" by the Daily Periodic Rate and multiplying the result by the number of days in the billing period.
