NON-SUFFICIENT FUNDS AND OVERDRAFT REMINDER

We reserve the right not to pay any item or transaction presented against your account if presented when there are insufficient available funds in your account (subject to any overdraft line of credit or overdraft transfer service which you have linked to your account), even if we paid such items/transactions in the past. Unless you request us not to do so, by calling the number above, we may, but are not obligated to, establish an overdraft limit to pay item(s)/transaction(s) in excess of your available balance and any fees related to your account. We may note on the front of this statement that overdraft limit was established and indicate an amount. That amount is valid as of the statement date, but may chang (be increased,lowered,or removed) at any time without notice,including before you actually receive your statement due to printing and mailing time as well as our process for reviewing overdraft limits. An overdraft limit is not a line of credit.If you prefer not to have an overdraft limit, let us know and we would then generally return checks and other transactions that exceed your available balance. The best way to make sure your items/transactions are paid is to maintain sufficient available funds in your account to pay your authorized items/transactions and fees which may be due related to your account. If an item/transaction (such as a check or other transaction, like an ATM withdrawal, a point-of-sale transaction or electronic payment) is presented against insufficient available funds, we will charge a fee for each transaction, whether the item/transaction is paid or rejected and the fee, as well as any overdraft paid, will reduce the overdraft limit arnount, if any. You must deposit additional funds to pay for your overdrafts and any associated fees immediately.

OVERDRAFT LINE OF CREDIT ("ODLOC") DISCLOSURES

This information applies only to overdraft lines of credit issued to consumers primarily for personal, family or household purposes. FINANCE CHARGES on each advance accrue from the date we make the advance until the date the advance is paid in full. This means that there is no grace period that would allow you to avoid FINANCE CHARGES on advances on your Credit Line Account.

The periodic FINANCE CHARGE on your Credit Line Account for each billing period is a function of the Daily Periodic Rate, the "Average Daily Balance" of your Credit Line Account, and the number of days in the billing period. a) The "Daily Balance" of your Credit Line Account for each day will be (1) the Total Balance at the beginning of that day, plus (2) new advances or charges, minus (3) all payments and credits received on that day and applied (i) to principal, (ii) unpaid FINANCE CHARGES and (iii) any overlimit fees, dishonored payment fees and late fees to the extent such fees are added to the outstanding balance of your Credit Line Account. "Total Balance" means all amounts due on the Credit Line Account. b) The "Average Daily Balance" is the sum of the Daily Balances for all days in the billing period divided by the number of days in the billing period. c) The periodic FINANCE CHARGE for a billing period is calculated by multiplying the "Average Daily Balance" by the Daily Periodic Rate and multiplying the result by the number of days in the billing period.
